Charts by *Dillard Thurman* can be accessed at icotb.org/resources/chartingtheoldpaths-thurman.

Harbert D. Hooker published three volumes entitled Black Board Charts and Sermon Outlines in the 1940's - 1950's. They are compilations from various authors. Most copies are only available at university libraries in their special collections. The outlines included here are from volume three from the private library of Donald F. Willis.
